

Shelton Family Questionnaire

I am researching the Shelton family, which came from Missouri. I would very much appreciate as much information as you can provide to me about your family. Of course, returning this form is not mandatory, but it would certainly help me in my research, and I would appreciate it very much. Any part of this form may be copied if you need more space.

Please return this form with as much of the information as you know to: Karla J. Nelson, 2619 Ridgebrook Rd., Fultondale, AL 35068-1228. My email address is kjshelton@sheltonfamilyhistory.com. Please contact me if you have any questions and/or reservations about sharing this information with me.

Shelton Family Questionnaire

Other Information: _____

There are a couple purposes for this form: First, to see if our families come from a common ancestor and second, to simply locate the various Shelton family members around the country. If you have any more information than that requested above, I would dearly love to have it. Or, if you have any pictures, certificates, old documents, etc. from the past, I would very much like to get a copy of them. Not only would they help my research but will also make the forthcoming book entitled "A Shelton Family Genealogy" more interesting. Everyone who responds will be credited with their submissions. When finished, I will send a free copy of the book to anyone who responds.

Thank you very much for your time.

Sincerely,

Karla J. (Shelton) Nelson
